

Who is Gregg Lynn?

Recognized as one of the Top 25 Agents in Sotheby's International Realty worldwide and as the #1 Condominium Agent in San Francisco, Gregg Lynn is an expert in appraising and marketing the world's most luxurious homes, condominiums and cooperatives. Equal parts seasoned professional, savvy negotiator and engaging raconteur, Gregg Lynn has represented clients selling and buying major homes throughout San Francisco, including the Record Sale of the co-listed St. Regis Penthouse for \$28,000,000 in 2011 and the 2010 MLS-reported city record #2 highest sale of an \$11,500,000 Pacific Heights home.

Gregg's ranking in the Top 25 Agents at Sotheby's enables him to have partnerships with the leading luxury Agents worldwide. To market his client's most distinctive homes, Gregg travels annually to connect with Leading Agents in Hong Kong, London, Beverly Hills and New York ... as well as other major cities. Gregg is supported by a team of three full time professionals who assist in managing the complete lifecycle of client relationships while aggressively promoting his client's properties around the world.

In addition to supporting a number of important Bay Area philanthropies, Gregg is an ardent champion of the Earned Assets Resource Network (www.EARN.org), a local, grass-roots organization creating opportunity for hard-working, local families living below the poverty line to acquire a home through financial management training and a matched savings program. His early work in co-founding a city-wide Realtors Auxiliary supporting EARN has enabled dozens of Bay Area families to realize the life-altering benefits of home ownership, creating prosperity for their families and their future.

In San Francisco, real estate drives pop culture. To that end, Gregg is a regular contributor to the media, having recently been interviewed for the Wall Street Journal in 2011, San Francisco Business Times, Bloomberg Business, First Republic Bank's Press Release, The SF Chronicle and San Francisco's CBS5 affiliate news station. Most uniquely, Gregg was recently asked by Forbes to lead a video tour of his co-listing of the St. Regis Penthouse (www.SRP-Forbes.com).
